Cathleen Summers, RN, ESQ

Beacon Patient Solutions –

Ailene Gerhardt, MA, BCPA

SBB university wants to empower you to make the best decisions.

**"Solo Agers" refers to aging adults who, because of choice or circumstance, are without the support of adult children or close family members. For those who did not have children, ensuring support as they age requires an extra layer of intentional and thoughtful planning to make sure supports are in place when needed.*
